To Whom It May Concern:

The St. Mary Parish School System used Library Interiors as the vendor for five recent library makeovers: Franklin Junior High, Patterson Junior High, Raintree Elementary, Morgan City Junior High and Morgan City High School. In each case, Mr. Chris Pizzuto served as the contact person for the vendor.

In each case, Mr. Chris Pizzuto has gone significantly beyond typical customer relations; working to completely satisfy our needs as opposed to focusing on what is best for the company. Chris is personable, accommodating, and willing to commit every effort to accommodate the client.

The St. Mary Parish School System has received commendable service from Mr. Chris Pizzuto. Thus, I am pleased to express my gratitude to Mr. Pizzuto for his high regard to customer satisfaction.

Sincerely,

Donald W. Aguillard, Ph.D.
Superintendent
